2026 SLIDING FEE APPLICATION

Mental Health Sliding Fee Eligibility Assessment

The Sliding Fee Discount Program is designed to provide discounted services to patients who have limited Discounts will be based on household income and size. Sliding Fee Discount Program applications cover patient balances incurred within 12 months after the approved application date. The applicant has the option to reapply after the 12 months have expired or anytime there has been a significant change in household size or income.

Please complete the Sliding Fee Discount Application entirely. Please sign and return the completed application and proof of income information to the health center within 14 days of the initial visit. The discount will start on the day proof of income is received. Discounts will be based on household size and income.
